## TECHNICAL FEATURES

### DRAIN ACCESS:

The inclination of the wash basin according to the design, does not allow water to remain on the board of the washbasin, which makes it easier to descend to the storage point.

### WASH BASIN STRUCTURE

- Limitless variety, cut, shape & glue.
- Simply indispensable under porcelain.
- Blue XPS core is 100% waterproof and still functions if it becomes damaged.
- Cement-coated surface forms an incredibly strong base for adhesive thanks to the integrated fabric.
- Particularly stable surface texture.
- Heat-insulating, lightweight, and dimensionally stable and quick to process.

### PORCELAIN FEATURES

- Waterproof
- Impact resistant
- Impervious
- Frost resistant
- Stain resistant
- Easy to clean
- Prevent bacterial growth
- Zero allergens
